Survey contexts and use

Completion of this section is optional and may be used by the RTO to provide information and an explanation of the data provided.

Information	Explanatory notes
Specific contexts to consider when interpreting survey results	Our students and employers database is localised
Main ways data has been used for continuous improvement	Conducted an assessment validation based on the comments from the students about the assessments. Also increased the duration of the course and the clinical placement hours according to the students' and the employers' suggestion
